School Currently Enrolled In

RCC Career & College Promise Requirements.

In order to be a RCC student enrolled in CCP courses you must:

- be a junior or senior,
- have a weighted GPA of 3.0 on high school courses and demonstrate college readiness in English, reading and math on placement tests
- complete an online Rockingham Community College application
- complete the Career and College Promise Enrollment Form

Coursework is very rigorous and will require significant time commitment. Students will complete the RCC CCP paperwork during their sophomore year.

Once enrolled in a particular course, a student will be expected to finish that course. Continuing in the ASA is contingent upon successful completion of coursework at each level.

I, _____ the parent of _____ wish to enroll my student in the Advanced Studies Academy. I understand that this pathway has rigorous coursework at the Advanced Placement and Community College levels.
