

Program Goals

Youth will:

- Remain in their home community
- Make satisfactory school progress and interact positively and appropriately with staff and peers
- Acquire appropriate skills to be able to function successfully in their home/school/community
- Acquire strategies to successfully cope with their mental health and/or substance use issues and improve their quality of life
- Return to a traditional school setting

Day Treatment's Mission

The Rockingham County Schools' Day Treatment Program is committed to providing quality services to children, youth and families affected by mental illness/behavioral problems. These services are provided to enhance their potential to remain within the home community and function successfully within the mainstream educational setting.

Day Treatment Services

Operated by Rockingham County Schools in
Partnership with Youth Haven Services, INC.

About Day Treatment

Day Treatment serves adolescents and children who are not being successful in

their regular school setting due to behavioral/emotional difficulties. It integrates individual-

ized education with therapeutic treatment for youth.

Youth Haven Services, a Critical Access Behavioral Health Agency (CABHA), has partnered with Rockingham County Schools to provide clinical oversight and support to the program. This ensures that each youth is able to earn school credits while acquiring skills to successfully cope with their behavioral and emotional challenges.

Provided Services

Day Treatment provides individualized education integrated with intensive mental health treatment services based on individual treatment plans to improve functional skills including, but not limited to:

- Social skill development
- Cognitive Behavior Therapy
- Behavioral/symptom interventions/management
- Adaptive skills training (personal care, leisure, etc.)
- Enhancement of communication and problem solving skills
- Individual, Family, and Group counseling
- Positive behavior support activities and reinforcements
- Case Management services
- Specialized instruction to address curricular and/or special education needs

Who May Be Referred?

- Youth between 5 and 20 years old who have significant problems being successful in a regular school setting due to behavioral/emotional difficulties.
- Youth who have symptoms related to their mental health diagnoses which inhibit them from successful functioning in academic, social, vocational, community, and/or family domains.
- Youth at risk of being removed from home or school due to multiple suspensions, expulsions, impaired peer and/or family relations, etc.

Once referred, Youth Haven Services will review or conduct a comprehensive clinical assessment to determine if the youth meets the criteria for Day Treatment.
