## Lincoln Elementary School

## Special Programs

Lincoln Elementary School is located in the rural and picturesque Oregon Hill community. It is near the Virginia state line and about 10 miles from both Eden and Reidsville, North Carolina. The facility is one of the newest in the county. LES serves Kindergarten through fifth grade students as well as PreKindergarten and Head Start students. Each classroom is equipped with technology devices such as Nooks for grades PK-2 and

Chrome-books grades 3-5. All classrooms and the school's Project Lab have ACTIVBoards.

The school features a unique gym

and stage which affords us the opportunity to provide special performances. We also house a state-of-the art Computer Lab where students are given many opportunities to explore 21st Century technology.
